

Heavy haulage solutions.

Western Star Prime Mover & Drake Platform Low Loader

McMahon Services has added further capability to our transport division with the arrival of a Western Star Prime Mover and Drake Platform Low Loader. This combination provides McMahon Services with strong heavy haulage capability to transport indivisible, over dimensional and excess mass loads up to 92 tonnes.

Overdimensional items may include heavy machinery, tanks and vessels, drill rigs, modular buildings and other oversize items. Our highly experienced driver has been transporting over size items for over 20 years and has the ability to load and unload heavy machinery.

Key Features include:

- ▶ 8 row of 8 platform float with or without dolly
- ▶ 11 row of 8 platform float with or without dolly
- ▶ Loads up to 92 tonnes (150 tonnes gross combined mass)
- ▶ Variable platform length from 17.5 metres to 23 metres
- ▶ Deck widening from 3.5 metres to 4.88 metres
- ▶ Western Star Prime Mover rated at 260 tonnes
- ▶ Pilot supplied by McMahon Services
- ▶ Transport permits and escort services available
